

Traffic Incident Management

safe

reliable

travel smooth

fast response

timely

cost-saving

efficient

Traffic incidents create unsafe situations, put lives at risk, and cause delays.

Know your role:

1

Move your car to a safe place – out of the travel lanes – if you are involved in an incident, and there are no injuries.

2

When you see flashing lights ahead of you, you need to **slow down and/or move over**. You can be ticketed for failing to do this!

3

Help keep your loved ones safe and avoid a ticket.
Tell your friends and family about these laws.

U.S. Department of Transportation
Federal Highway Administration

Buckle up: Wearing seat belts saves lives.
